What's Changing

What Doesn't Change?

- **Authorization policy**
 - If a service required authorization in the legacy MMIS, it will need authorization in ProviderOne
- **Authorization request process for PM&R, LTAC, Inpatient Psychiatric, and ambulance providers**

What's Different?

- **How you request authorization**
 - New scanning technology
 - Automated intake process
 - New form and cover sheets
- **New Self-Service functionality to monitor authorization status**

ProviderOne Includes New Scanning Technology

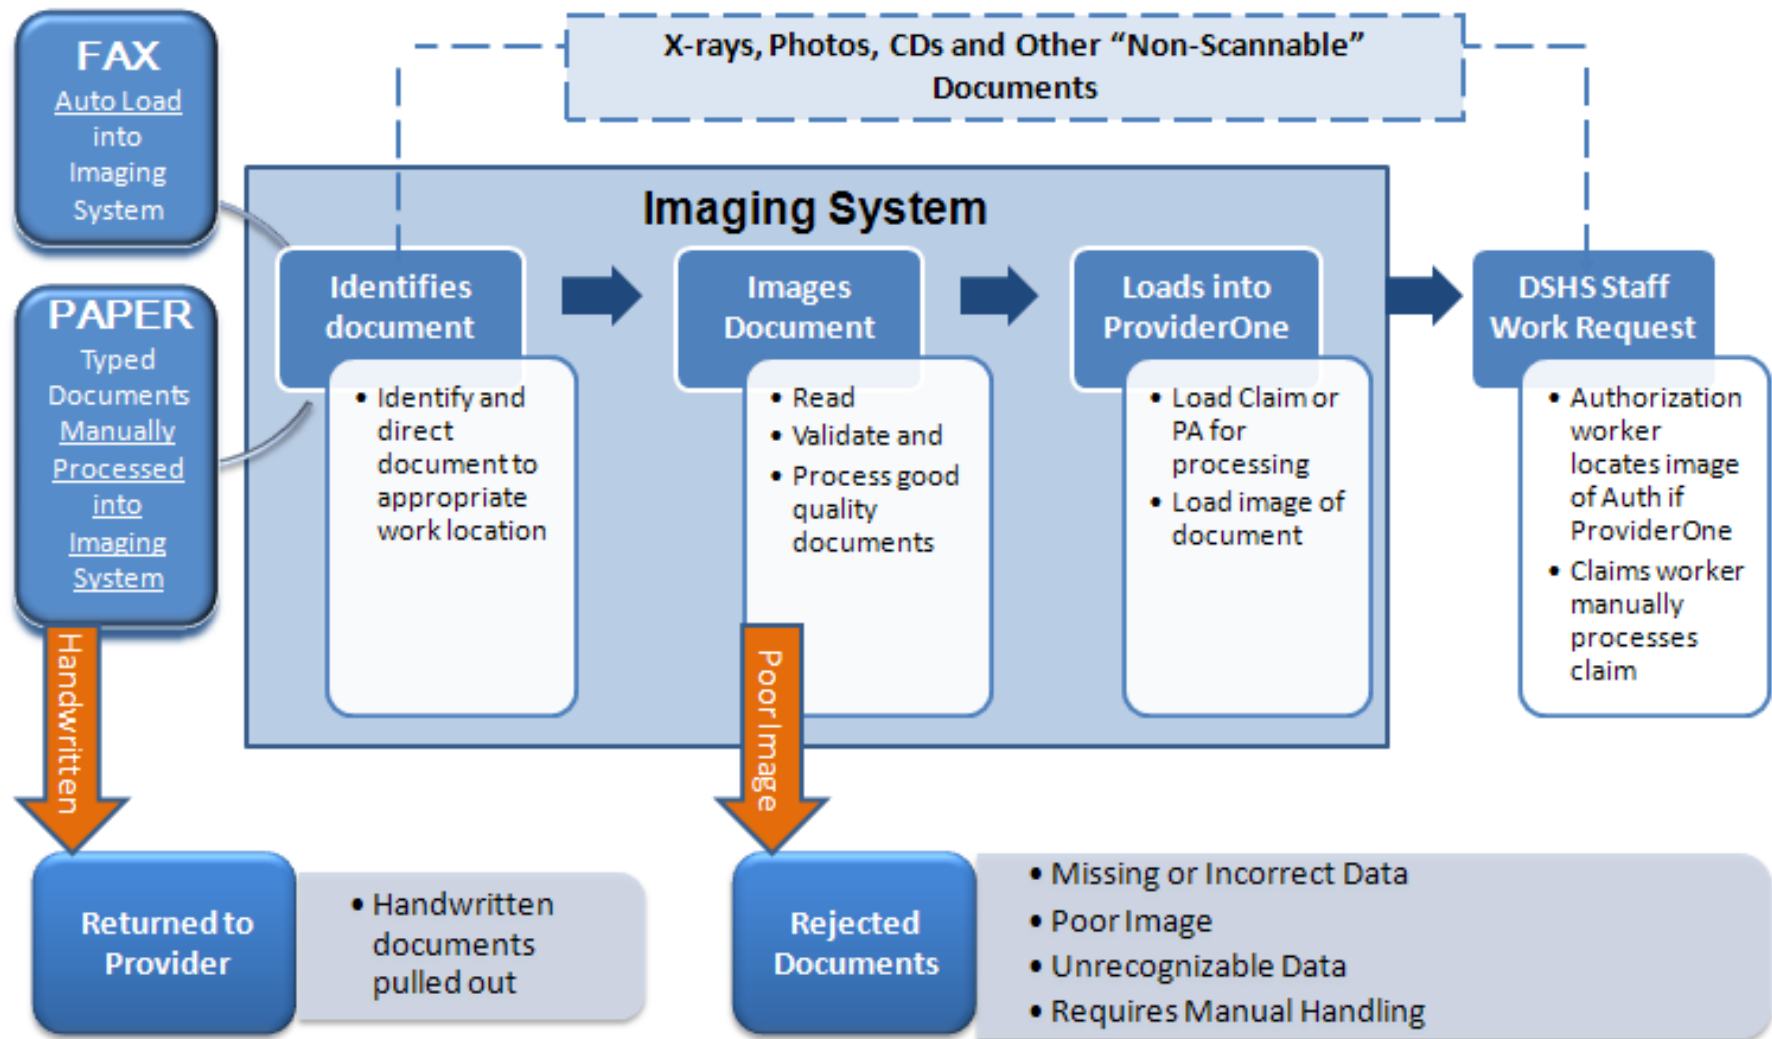

Optical Character Recognition (OCR)

- OCR is the translation of scanned images of typewritten text into machine encoded text
- Widely used to convert documents into electronic files

Features of OCR

- OCR makes it possible to search for a word or phrase, store documents more compactly, display or print a copy of artifacts
- OCR technology cannot accurately read if there is any handwriting on the form

New Automated Intake Process

New Automated Intake Process

- **Incoming Prior Authorization requests will be automatically scanned into ProviderOne when:**
 - **First page received is Prior Authorization Form 13-835**
 - Do not use your own fax cover sheets
 - **DSHS Forms are not modified**
 - Modified forms will fail scanning process and delay processing
 - **Each authorization request is received separately**
 - The scanner does not separate multiple requests that are faxed at the same time, therefore they are processed as a single request
 - **Faxed pages are set to size 8 ½ x 11**
 - **Forms are typed and printed from the online forms webpage**

New Form Rolled out March 1, 2010

- **New On-line Authorization Form (13-835)**
<http://www.dshs.wa.gov/msa/forms/eforms.html>
 - Forms must be typed online for scanning and efficient processing
 - PDF form can be easily filled in and printed
 - Handwritten forms will be returned for required preparation
- **New data elements required on the form**
 - ProviderOne Client ID and NPI
- **Step by Step Instructions to complete form**
 - ProviderOne Billing and Resource Guide (Appendix F) at [http://hrsa.dshs.wa.gov/download/ProviderOne Billing and Resource Guide.html](http://hrsa.dshs.wa.gov/download/ProviderOne_Billing_and_Resource_Guide.html)
